

# Year 12 Assessment Calendar

Term 3, 2026

**Pathways**  
DECEPTION BAY  
STATE HIGH SCHOOL

|                                  | Subject                       | Assessment                              | Draft due | Final due        |
|----------------------------------|-------------------------------|-----------------------------------------|-----------|------------------|
| General subjects                 | English                       | Mock EA: Extended response              | No draft  | Week 10          |
|                                  | Literature                    | Mock EA: Extended response              | No draft  | Week 10          |
|                                  | General Maths                 | IA3: Exam – short response              | No draft  | Week 2           |
|                                  |                               | Mock EA: Combination response           | No draft  | Week 10          |
|                                  | Maths Methods                 | IA3: Exam – short response              | No draft  | Week 5           |
|                                  |                               | Mock EA: Combination response           | No draft  | Week 10          |
|                                  | Biology (compression)         | IA3: Research investigation             | Week 6    | Week 8           |
|                                  |                               | Mock EA: Combination response           | No draft  | Week 10          |
|                                  | Business (compression)        | IA2: Business report                    | Term 2    | Week 3           |
| IA3: Feasibility report          |                               | Week 7                                  | Week 8    |                  |
| Mock EA: Combination response    |                               | No draft                                | Week 10   |                  |
| Modern History (compression)     | IA3: Investigation            | Week 4                                  | Week 5    |                  |
|                                  | Mock EA: Short response       | No draft                                | Week 10   |                  |
| Physical Education (compression) | IA2: Investigation – report   | Term 2                                  | Week 1    |                  |
|                                  | IA3: Project – folio          | Week 7                                  | Week 8    |                  |
|                                  | Mock EA: Combination response | No draft                                | Week 10   |                  |
| Physics (compression)            | IA3: Research investigation   | Week 4                                  | Week 5    |                  |
|                                  | Mock EA: Combination response | No draft                                | Week 10   |                  |
| Applied subjects                 | Essential English             | IA3: Multimodal response                | Week 6    | Week 7           |
|                                  | Essential Maths               | IA3: Problem-solving and modelling task | Week 7    | Week 8           |
|                                  | Sport & Recreation            | IA3: Unit H – Performance               | Week 5    | Week 7           |
|                                  | Social & Community Studies    | A1 Project- contemporary lifestyles     | Week 7    | Week 9           |
|                                  | Visual Arts in Practice       | D1: Transform and Extend (Project)      | Week 9    | Final due Term 4 |

**VET subjects** are assessed differently to General and Applied subjects. Students have multiple opportunities throughout the year to achieve a competency. Each term, there are a range of due dates for completion of work to ensure students do not fall behind.

- **Assessment tasks in green are summative and results contribute to ATAR calculations.**
- **Assessment tasks in blue are summative and results contribute to final Year 12 results.**
- **All assessment tasks contribute to QCE attainment for Year 12 students and therefore submission on or before the due date and attendance at exams is mandatory in order to earn QCE credits.**

# Year 11 Assessment Calendar

Term 3, 2026

|                                           | Subject                         | Assessment                                         | Draft due | Final due        |
|-------------------------------------------|---------------------------------|----------------------------------------------------|-----------|------------------|
| General subjects                          | English                         | FIA4: Exam – extended response ( <i>practise</i> ) | No draft  | Week 6           |
|                                           |                                 | FIA4: Exam – extended response                     | No draft  | Week 8           |
|                                           | Literature                      | FIA4: Exam – extended response ( <i>practise</i> ) | No draft  | Week 6           |
|                                           |                                 | FIA4: Exam – extended response                     | No draft  | Week 8           |
|                                           | General Maths                   | FIA4: Problem-solving and modelling task           | Week 6    | Week 8           |
