DECEPTION BAY

STATE HIGH SCHOOL

EMPOWERING LEARNERS
TO THRIVE

Principal's Report

To the staff, students, and wider community, thank you for a fabulous 2021. It really is hard to believe that another wonderful year is ending. One of the joys about working in a school is watching students continue to grow. To the thriving learners of Deception Bay State High School, thank you for a wonderful year and for your continued obligation to personal growth.

I would also like to take this opportunity to present our leadership team for 2022. I know this is a team committed to our school, our students and our community, and I look forward to working with them all.

P&C Association

Student Stationery Requirements

The following list outlines the basic requirement for students attending Deception Bay SHS.

Students are studying in numerous subject areas, therefore will need:

- Individual exercise book for each subject.
- An A4 folder with plastic sleeves

Digital storage of school work and school assignments.

- 1x USB Stick

School Diary (all junior students are provided a DBSHS diary)

Maths

- Scientific Calculator

Special Equipment

- Steel-capped boots (Hospitality/Horticulture/Manual-Arts)
- Brimmed hat (Horticulture)
- Apron (Hospitality)

Stationery

- 2x Blue pens
- 2x Different colour pens
- 2x Pencils
- 1x Eraser
- 1x Pencil sharpener
- 1x Ruler
- Set of highlighters

Optional

- Glue
- Scissors
- Compass
- Protractor
- Coloured pens and pencils

School Bag

- Sports bag or backpack (the school bag should be of an appropriate size to hold all equipment students need for their learning, therefore a purse or waist pack is not permitted)

Students are required to have all their equipment each day for class. Personal organisation and preparation is essential for improved learning and student success.

First Nations Graduation

On Wednesday 17 November 2021, we held our inaugural First Nations Graduation in the newly developed Yarning Circle. The ceremony was officiated by Mr Dominic Pearce and Elyjah Deshong. Uncle Darryl Lingwoodock opened the ceremony with Welcome to Country. We were so proud to celebrate our 11 Deadly Graduates. This First Nations Graduation will now be an annual tradition at DBSHS. Thank you to our families, staff and community partners for celebrating with our students.

Congratulations to Our

Graduation '21

To the class of 2021. As you leave here, we hope you continue to be the best you can be and continue to embody our school values

BELONGING | Look out for each other.

INTEGRITY | Be true to your word.

PERSISTENCE | Stick at it, don't give up!

ASPIRATIONS | And aim high.

I guarantee, the road forward will be filled with speedbumps and roadblocks, but these values give you a suit of armour in combatting obstacles.

2021 graduates, congratulations. We will miss you.

Ms Mickelborough and Mr Fletcher.

Term 4 Highlights

Beautiful work from our wonderful Primary Popstars and our trainers! We had our final showcase for 2021 in week 7. We are very proud of your efforts this year and look forward to working with you again in 2022.

Year 11 Hospitality students participated in a Master Chef style challenge where they were given mystery box ingredients and had to create a dish then prepare & present it. All students who participated did a fabulous job.

Students involved in our IGNITE Program learnt to cook a healthy and nutritious Family Meal – Ricotta Chicken Pasta.

Week 2, our Visual Art, Performing Arts and Hospitality departments worked together for a wonderful Senior Soiree event.

We are very proud of all of our performers at Dance Night

Cultural Unity night was a great success.

Maths Clarity Project

Students in 9 A have been involved in the Clarity Project for Maths. The aim of the project was to improve the results of each student in their Term 3 and 4 units of work.

The project has been driven by the following questions for students:

1. How do I know what I am supposed to learn and whether I am progressing or not?
2. What practices empower me to own my own learning?
3. What do I do when I am stuck in my learning?

A range of strategies were shared with students across the semester to help them answer the three questions above. The strategies were grounded in the research of Dr Lyn Sharratt. The strategies included:

1. Clear Learning Intentions and Success Criteria published for students to refer to throughout the learning
2. Diagnostic testing before, during and after the unit to identify gaps in student learning and opportunities for extension
3. Cycles of peer, teacher and self- feedback using resources like Bump It Up Walls
4. Individual goal setting that is revisited and reworked to respond to feedback

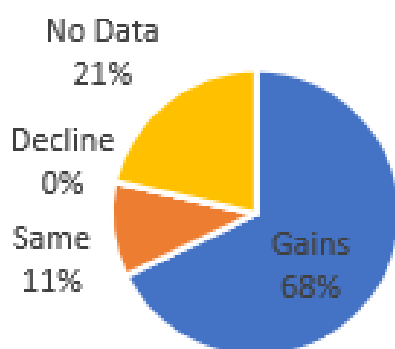

Students accessing the Bump it up Wall to improve their work.

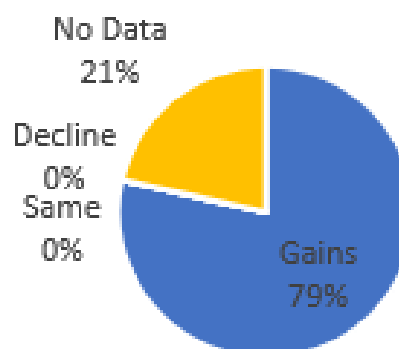

Student data was tracked throughout the semester to identify opportunities for further support, intervention and extension. Data was continuously shared with students to help them reflect on their progress and plan their next learning steps. Students were encouraged to attend school every day, attend after school tutorials or Recharge and complete extra self-directed **work** on Mathspace.

Students completed two assessment tasks in Term 3 and two in Term 4. Below is the class achievement data for each task. It was very pleasing to see the strong gain most students made in their results between the first formative assessment (results which were gathered throughout the unit as students undertook their learning) to the final piece of assessment. Attendance under 70% was directly attributed to limited improvement.

Term 4 Task 1: PSMT

Term 4 Task 2: Exam

P&C News

Deception Bay SHS
P&C Association

Deception Bay State High School's P & C had a very busy and successful 2021. This could not have been achieved without support from the school and our community. A very well-deserved word of thanks to our dedicated hardworking volunteers and Tuckshop employees on another successful year.

Contributions:

The P & C successfully ran the Tuckshop and Uniform shop which enabled us to donate \$20 000 to the school. During this year we also bought a defibrillator for the sick bay and donated school uniforms to the value of \$1386.40 to the school for use in the office. We also supported the Chaplaincy with a \$500 donation. We had one student who attended a sport championship in Cairns during 2021 and we contributed \$50 towards the student's expenses.

During Term 3 the P & C took over the management of the Bay Café and we bought a freezer that was much needed in that space. We also paid for a shade sail in front of the Bay Café's serving window for protection against the sun and rain.

We contributed \$500 towards the Musical Instrument Loan program.

Fresh ideas on the menu:

We always strive to give our students healthy options in the Tuckshop and this year we added a steak, bacon, cheese and onion roll as well as a bacon, egg, hash brown and cheese roll to the menu.

Thank you

The P & C would like to thank everyone for their support and help throughout 2021 and wish all a safe and restful festive season.

Our next P & C meeting will be on 16 February 2022

Uniform Prices

Full range of uniforms are in stock now. To avoid the rush at the start of the new year you can order now!
Lay-bys available with 20% deposit payable and the remaining amount needs to be paid in full within 3 months.
