

Out of Catchment Enrolment Management Plan

An Enrolment Management Strategy applies at Deception Bay SHS. Please refer to the [enrolment management plan](#) and the [catchment map](#) to determine eligibility for enrolment.

The Enrolment Management Strategy is governed by the following general guidelines:

- Only children who live permanently within the school's enrolment boundary area will be entitled to enrolment at this school. This applies to all year levels.
- Students living outside the zone will be permitted to submit a written application to the Principal for review. Students who meet the criteria for enrolment will be notified within due course.
- The Leadership Team reserves the right to sight proof of residential address when applying for enrolment at the school. The policy may be reviewed/alterd at any time in keeping with the statement of purpose.

Exemptions to this plan

The Principal can make exemptions for enrolment under the following conditions.

- Students presently enrolled at the school and living outside the zone are not affected by this plan and have the right to remain enrolled. This exemption applies to the individual only.
- Siblings of previously exempted students will need to apply on their own merit. Priority will be given to siblings of students who are currently enrolled from outside the catchment area who have been previously granted exemptions however this cannot be guaranteed.
- Students presently enrolled and who move to an area outside the zone will not be affected by this plan and shall have the right to remain enrolled.
- Students living outside the zone will be permitted to enrol at the school if our special education class has been identified by the district process as being the nearest coded program. Any siblings shall be eligible for enrolment in regular class groups.
- Students living outside the zone who are suitable applicants for senior flexible learning (Futures and Aspire).

These are the only conditions under which exemptions can be made.

ONLY FULLY COMPLETED APPLICATIONS WILL BE ACCEPTED.
